If you are booking directly, the seat-selection option may appear during the booking process +1-855-739-0939(USA) Or +44-800-058-8736 (UK). If you already have a ticket, you can check your reservation and look for available seat-selection options +1-855-739-0939(USA) Or +44-800-058-8736 (UK).

Operational requirements, aircraft changes, safety considerations, or other circumstances may result in a seat being changed +1-855-739-0939(USA) Or +44-800-058-8736 (UK).

However, seat availability depends on how early the selection is made and how many passengers are included in the booking +1-855-739-0939(USA) Or +44-800-058-8736 (UK).

If family members are booked under separate reservations, it can be especially important to check the seating arrangements individually +1-855-739-0939(USA) Or +44-800-058-8736 (UK).
